

SMART METER PILOT PROGRAM

"Big Enough to Play, Small Enough to Care™"

Making Water Visible to Utilities and End Water Customers

Allow end water customers to view and understand their usage profile through an easy-to-use consumer engagement website or smartphone/tablet app. Consumer engagement website and smartphone/tablet app provide your end water customers with easy access to their usage activity to gain a greater understanding and control of their consumption patterns.

Enhanced Customer Service

With access to timely information, respond to customer needs more effectively— and resolve billing issues quickly.

Future-Proof Technology

With a BEACON AMA solution, you receive the hosted BEACON AMA software suite with regular updates and the latest ORION communication technology to future-proof your investment and keep your system in step with changes in technology.

ORION Cellular

Designed for maximum flexibility and rapid deployment, our water endpoint eliminates utility-owned infrastructure by utilizing existing cellular networks.

BEACON AMA Starter Package Includes:

Technology

- Ten (10) ORION Cellular endpoints
